factoHR
HR Solution for Growth

## Overview

This policy outlines the settlement of dues for employees separating from [Company Name] due to resignation, termination, or retirement.

## The Exit Process

- **Resignation:** Must be submitted via email to the Reporting Manager and HR.
- **Notice Period:** Employees must serve a notice period of [**30/60/90**] days. Failure to serve notice will result in salary recovery for the unserved days.
- **Last Working Day (LWD):** Confirmed only after resignation acceptance.

## Clearance (No Dues)

Before the final payout, the employee must obtain a "No Dues" clearance by:

- Returning all company assets (Laptop, ID Card, Keys, etc.).
- Settling any outstanding travel bills or salary advances.
- Completing the handover of tasks to the Reporting Manager.

## Settlement Calculation

The final payout is calculated as: **(+) Earnings:** Unpaid salary (up to LWD) + Leave Encashment + Bonus (if applicable) + Gratuity (if >5 years tenure). **(-) Deductions:** Unserved notice pay + PF/Tax + Outstanding loans + Asset damages.

## Timeline

- **Payout:** Processed within [**30-45**] days from the LWD, subject to completed clearance.
- **Documents:** Relieving Letter and Experience Certificate are issued only after the FNF settlement is processed.

## Disputes

Any discrepancies in the FNF statement must be raised within **7 days** of receipt.
