1. Purpose

The purpose of this document is to establish a framework for implementing and maintaining the Data Privacy Policy within the Power Utility. It covers the collection, storage, use, disclosure, and disposal of personal information when using the website and application for availing services offered by PSPCL to users.

2. Scope

The privacy policy applies to the use of PSPCL mobile applications and the services offered through PSPCL website and applications. By sharing the personal information via various PSPCL platforms or email, the users or individuals have given agreed to this policy.

3. Responsibilities

IT Department and Users

4. Procedure

4.1. Data Collected:

To avail online services provided by PSPCL like bill payment, Load extension, new connection etc. through website or mobile application or while communicating via email, the user's personal information may be collected. It includes the following:

4.1.1. Name

4.1.2. Mobile number

4.1.3. Address

4.1.4. Email Address

4.1.5. Date of Birth

4.1.6. Father's/Guardian's Name

4.1.7. Identity proof

4.2. Data Collection Methods

The user information may be collected in following ways:

4.2.1. Self-registration by users on various PSPCL platforms (mobile apps/website).

4.2.2. User registration by PSPCL employees on Customer Relationship Management portal

4.2.3. Online Bill payments and availing other PSPCL services by users

4.2.4. Queries/complaints by users on various platforms

4.3. Data Use

The information provided by customer, including Personal Information is on a voluntary basis. While providing information, it is implied that user has given consent to the collection of information and its use for the purposes mentioned below:

4.3.1. To provide PSPCL services to users.

4.3.2. Registration for the purpose of creating an account to receive PSPCL services.

4.3.3. To provide services under various Government schemes

4.3.4. To reply to user's queries and complaints.

4.3.5. To send notifications, bills, receipts to users.

4.4. Data Sharing

4.4.1. PSPCL shares personal information of users with third party like payment gateways etc. in a way that does not personally identifies the user.

4.4.2. Only the information that is necessary to provide services or resolve user's complaints/queries is shared with third party service providers.

4.4.3. PSPCL may share information to any governmental or regulatory authority as required under any law applicable.

4.5. Data Retention and Security

Data Retention

4.5.1. The user data shall be retained for the period that is necessary to provide PSPCL services or as required to fulfill legal and regulatory obligations. After the retention period the data shall be archived/deleted.

Security

4.5.2. The industry-standard security practices are followed in PSPCL to safeguard the user data.

4.5.3. Adequate steps like encryption, IP whitelisting, etc. are taken to safeguard information sharing with third parties.

4.5.4. Users are responsible to prevent unauthorized access to their password or devices.

4.5.5. PSPCL is no responsible for any hardware/software problems or security breaches beyond its control, in particular, for any third party/user action leading to security breach.

4.6. User Access

4.6.1. Users have right to access their personal information and may request modification or deletion of information.

4.6.2. User shall be responsible for providing the accurate information and contact PSPCL in case of discrepancies.

4.6.3. PSPCL shall ensure that the user information is accurate and up to date. The user information is updated as requested by user.

4.7. Legal Guidelines

Any dispute over privacy or the terms contained in this privacy policy will be governed by the laws of India.

4.8. Enforcement

4.8.1. This policy shall comply with all other relevant IT policies of PSPCL.

4.8.2. Any employee who is found to have violated this policy may be subject to disciplinary action as per Employee Punishment & Appeal regulations of PSPCL.

5. Document Review

5.1. The document shall be reviewed after every year or as when required with the prior approval as per prevalent instructions of PSPCL.
