1. Purpose

The purpose of this document is to define the Human resource guidelines for PSPCL to meet its objectives and goals. It also defines the controls an employee should follow during and after his tenure in PSPCL. It takes care of all the processes which starts from the induction of an employee to termination of an employee.

2. Scope

This policy applies to entire R-APDRP PSPCL employees.

3. Responsibilities

Department HoD and HR division

4. Procedure

4.1. Prior to Employment

Human Resource Department of PSPCL is responsible for ensuring the implementation of these procedures. It includes the following:

4.1.1. Receipt of requirement of manpower from various department heads.

4.1.2. Scrutinize them and take approval from the competent authority

4.1.3. Select the appropriate recruitment process

4.1.4. Job description shall be clearly documented before any recruitment of any employee in PSPCL. Terms and conditions shall also be clearly defined prior to the employment.

4.1.5. All the roles and responsibilities of permanent and contractual employees as well as vendor's manpower shall be properly defined and documented.

Screening

4.1.6. Personnel screening for PSPCL users will be done as per the PSPCL rules and regulations.

4.1.7. For third-party employees, personnel screening shall be done as per the terms and conditions of the contract / agreement signed with PSPCL. Third parties shall ensure that the background screening records are maintained for future reference.

Terms and Conditions of Employment

4.1.8. Relevant documents shall be shared with new joiners at the time of induction program.

4.1.9. PSPCL users will be governed by PSPCL rules of recruitment and such other administrative instructions that may be issued from time to time, including instructions on information security.

4.1.10. Action as permissible under the Conduct Rules or other laws in force may be taken against employees if they disregard IT security requirements and consequently cause harm/damage to PSPCL information/information assets.

4.1.11. PSPCL employees shall be asked to abide by Non- Disclosure requirements.

4.1.12. Third party personnel working on PSPCL IT project shall be ordinarily required to sign a Non-Disclosure Agreement (NDA)

4.2. During Employment

Management Responsibilities

4.2.1. All users of PSPCL as well as vendor's personnel shall apply information security in accordance with established policies and procedures of PSPCL. It shall be ensured that PSPCL users and vendors employees are briefed on their information security roles and responsibilities prior to being granted access to information assets and provided with guidelines, which state security expects, while performing their role.

4.2.2. All the personal data of the employee shall not be disclosed by the HR department to the third party without taking written consent from the concerned PIO.

4.2.3. Annual performance evaluation system shall be introduced to increase the morale of the employees.

4.2.4. All users shall be given privileges as per access control Management Process

Information Security Awareness, Education, and Training

4.2.5. The ISC shall be responsible for identifying the information security responsibilities of all PSPCL employees (permanent and contractual) as well as vendor's employees which will include but not limited to

4.2.5.1. Adhering to policies, guidelines and procedures pertaining to the protection of PSPCL data.

4.2.5.2. Employees shall implement, maintain, and use administrative, technical, and physical security measures to preserve the Confidentially, Integrity, and Availability of all managed information/information assets.

4.2.5.3. Employees shall also be responsible for protection of account and password(s), as well as reporting suspected misuse to the ISC/Security Administrator

4.2.6. PSPCL personnel (including contractual officials /employees) shall be imparted training on information security awareness in a timely and efficient manner as per PSPCL Training Policy

4.2.7. Security Advisory shall be circulated to users on an ongoing basis.

4.2.8. Security awareness content shall be reviewed at least twice a year in consultation with ISC/CISO.

4.2.9. Refresher courses as required shall be conducted to re-train the already trained employees on new threats and countermeasures.

4.2.10. Third parties shall impart Information Security awareness sessions to their employees working on PSPCL projects when required.

Disciplinary Process

4.2.11. Any security violation or incident committed by PSPCL user may invite disciplinary action according to PSPCL Employee Punishment & Appeal regulations.

4.2.12. Information Security Incident Management Procedure shall be followed to identify the severity of security incidents.

4.2.13. All relevant evidence identified during the investigation (like the entries in the application logs, system logs, firewall logs, IDS logs, and so on) shall be preserved as per Retention Policy by Security Administrator / concerned Nodal officer for future reference.

4.2.14. The history of information security violations committed by the employee shall be maintained by concerned process owner and same must be submitted to higher authority/ISMT.

4.2.15. In case of third party employees, the action taken shall depend on the terms and conditions of the agreement/contract.

4.3. Termination or Change of Employment

Termination Responsibility, Return of Assets and Removal of Access Rights

4.3.1. In case of normal resignation/retirement/ termination/ transfer & release of PSPCL user on deputation or termination of contract with the third parties, access rights shall be revoked/ disabled with immediate effect following Access Control process.

4.3.2. The clearance procedure, for an employee leaving PSPCL or getting transferred to some other location within PSPCL, shall be as per the Access Control Procedure.

4.4. Legal Guidelines

4.4.1. Conflict of interest shall be avoided in all circumstances

4.4.2. All the agreements (Non-Disclosure Agreement, Terms and conditions of Employment etc.) shall be duly agreed and signed at the time of joining

4.4.3. Health and Medical Policies (if any) shall be clearly communicated to the employee.

4.4.4. Conditions of Termination / Separation (e.g. Notice period) shall be clearly mentioned in the contract.

4.5. Enforcement

4.5.1. This policy shall comply with all other relevant IT policies of PSPCL.

4.5.2. Any employee who is found to have violated this policy may be subject to disciplinary action as per Employee Punishment & Appeal regulations of PSPCL.

5. Document Review

5.1. The document shall be reviewed after every year or as when required with the prior approval as per prevalent instructions of PSPCL.
